

Clinical Human Study of ELO Gel Effects on **SKIN WRINKLE, COLOUR, ELASTICITY,** **HYDRATION** and **GLOSS** of Facial Skin

By DermaPro Skin Research Centre
Seoul, Korea, in 2016

INSTRUCTIONS FOR USE:

**22 women subjects,
aged between 50 to 54 yrs**

n = 44 Half Faces

1. Wash your whole face with your usual cleansing face wash and pat dry
2. Apply your usual skin toner / essence/ moisturizer onto your whole face
3. Apply 0.5 ml ELO gel on half your face (only right side / only left side)
4. Do this ELO gel application once in the morning and once before bedtime
5. It is preferable that you do not apply make-up. If you need to apply make-up, please let the ELO gel dry before you apply your light make-up.
